To Reissue a Refund Advantage Check

If a Refund Advantage check has been authorized but not cashed, the check would need to be reissued and reprinted to have the authorization reset.

1. Request a **Check Reissue Form** from Refund Advantage **800-967-4934**.
2. Complete the form and process the original check as instructed on the form.
3. Send the completed form and original check by fax to **1-877-559-0558**.
